

PLAINFIELD CHARTER TOWNSHIP

April 22, 2016

To whom it may concern,

As of December 31, 2015, Plainfield Charter Township no longer processes courtesy splits/combinations. This means that changes to legal descriptions will not be recognized until the tax year following the change.

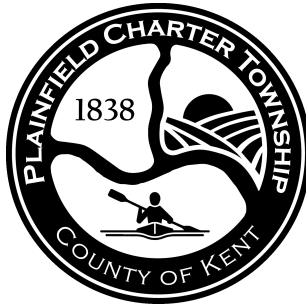

More importantly, owners of the existing parcels prior to the proposed changes will be responsible for taxes until the change has been made and acknowledged in the Assessment and Tax Rolls in the following year. Therefore, any proration of taxes that owners deem necessary must be completed as a private matter, and will not be handled by Plainfield Charter Township.

If you have any questions regarding this, please contact the assessing office at (616) 726-8880.

Thank you

Peter Elam, Staff Planner, AICP CFM

Jeff Miller, Assessor, MAAO

Date: _____
