

FOR ALL NEW HOMES THE  
FOLLOWING INFORMATION IS  
REQUIRED PRIOR TO OBTAINING A  
BUILDING PERMIT

Please enter the appropriate information

MBO (MINIMUM BASEMENT OPENING)

---

TOP OF WALL ABOVE STREET\* (based upon street centerline elevation below)

---

STREET ELEVATION (established at street centerline)

---

\*Top of wall can be determined the following ways:

- A) Surveyed elevations above sea level
- B) Assuming street level = 0, how much higher is the top-of-wall (example +2 feet above street elevation).
